

VIRTUAL INTRODUCTORY (PRE-CERTIFICATION) COURSE

Target group:

The participants are beginners looking to take the first step to become a Fit Specialist, and eventually a Certified Mastectomy Fitter. The course is also appropriate for anyone looking to refresh their skills. It never hurts to go back to the basics!

Contents:

Step 1 | Distance learning at your own pace

- You will start by completing the digital learning material in the Amoena Academy online portal. For most students, the Amoena Academy requires four hours. You can do as much, or as little at a time as you like. You will create a unique username and password for the Amoena Academy learning portal.

Step 2 | Live, virtual training via Zoom: 1pm ET

During our time together we will:

- Understand the Amoena product portfolio and innovations
- Practice hands-on measuring and fitting (you will need a model or mannequin, see below)
- Conduct discussions in breast prosthetic care

Please note, your Zoom meeting link will be included in the emails you receive after registration. Please test the Zoom platform prior to our scheduled meeting if you are not familiar with it. You must have video and audio access on your device in order to receive your certificate of completion.

Virtual Training Agenda:

Welcome and Introductions

Patient Care and Practice Management

Matching Products to Patients; Understanding the Amoena Product Portfolio

Measuring and Fitting / Hands-on Practice

- You will be asked to demonstrate your measuring skills on screen. Please have a mannequin torso available, or ask a friend or colleague to join you for 5-10 minutes as your model.

Special Bonus! As a thank you for attending, you will receive 10% off* your product order placed with 5 business days after your course.

**Cannot be combined with any other current discounts. Excludes new products, swimwear, promotional items, Balance Fit Kits and samples.*

Academy Log-in Instructions

Receive a Link:

You will have access to the Amoena Academy for the four weeks leading up to your scheduled, live course. Sure, it only takes 4- 5 hours to complete the material, but if you register early, you have extra time to revisit it!

Create an Account and Password:

Your email address is your username. Your password will be set by you. Be sure to write it down, or save it in your phone "Contacts" so you don't get locked out.

Your Instructor is Monitoring:

You must finish all Amoena Academy online learning before joining the live portion of the course. This means you must complete the quizzes too! If you need help, be sure to reach out to your instructor.

What's next?

Becoming certified means you have met all certification criteria:

- Applicants must have **120 hours** of mastectomy fitting experience. This experience must be in providing direct patient care specific to fitting breast prostheses and mastectomy products and services with these duties as a central responsibility.
- Completed a board approved, pre-certification course
- **Passed a formal board exam** and uphold required continuing education requirements.

We look forward to your participation!
